

RESOLUTION NO. 70
BOARD OF DIRECTORS
OF THE
CONGRESS VALLEY WATER DISTRICT

A RESOLUTION ADOPTING MODERATE WATER SHORTAGE
WATER USE REGULATIONS, PURSUANT TO NAPA MUNICIPAL
CODE SECTION 13.10.040, SUBDIVISION A

WHEREAS, on May 4, 2021, the Napa City Council declared a moderate water shortage exists after a second consecutive dry winter and that a 15% community-wide demand reduction is needed to maintain water supply reliability;

WHEREAS, the Napa City Council further resolved that each customer shall comply with the prohibitions and limits set forth in Napa Municipal Code section 13.10.050;

WHEREAS, Napa Municipal Code section 13.10.040, subdivision A, requires the Congress Valley Water District (the "District"), to enact and enforce water use regulations during a declared moderate water shortage identical to those water use regulations in Chapter 13.10 of the Napa Municipal Code; and

WHEREAS, the District is also bound by Section 9 of the Water Supply Contract between the City of Napa and the District to enact and enforce water conservation programs substantially equivalent to those water conservation programs adopted by the City of Napa;

NOW THEREFORE, the Board of Directors of the District hereby resolves as follows:

Section 1: All of the recitals set forth above are true and correct, and this Board of Directors hereby so finds and determines.

Section 2: The District hereby adopts and enacts the following water use prohibitions and limitations, pursuant to Napa Municipal Code section 13.10.050:

- A. No person shall waste water. As used herein, the term "waste" means:
1. Use of water in a decorative fountain or other decorative water feature, except where the water is part of a recirculating system;
 2. Use of a hose that dispenses water to wash a motor vehicle, except where the hose is fitted with a shutoff nozzle or device attached to it that causes it to cease dispensing water immediately when not in use;
 3. Application of water to driveways and sidewalks, except where necessary to address an immediate health and safety need;

4. Application of water to outdoor landscapes in a manner that causes runoff such that water flows onto adjacent property, non-irrigated areas, private and public walkways, roadways, parking lots, or structures.

B. No person shall use water to irrigate landscaping on consecutive days, except for the initial watering of newly planted landscaping and germination requirements of newly seeded lawns.

C. No person shall use water to irrigate landscaping between the hours of 10:00 a.m. and 5:00 p.m., except for the initial watering of newly planted landscaping and germination requirements of newly seeded lawns.

D. No person shall use water to irrigate landscaping during a measurable rainfall event or within 48 hours thereafter.

E. No person shall use water to irrigate ornamental turf on public street medians.

F. No person shall drain and refill any swimming pool unless that person establishes that it is needed for the purpose of pool repair or to correct a severe chemical imbalance. No person shall drain and refill any decorative pond or lake unless that person establishes that it is needed for the purpose of lining the bottom to prevent absorption.

G. No operators of eating or drinking establishments, including but not limited to restaurants, hotels, cafés, cafeterias, bars, or other public places where food or drinks are sold, served, or offered for sale, shall provide drinking water to any person unless expressly requested by that person.

H. Operators of hotel, motel, and other commercial lodging establishments shall provide guests the option of not having towels and linens laundered daily, and shall prominently display notice of this option in each guestroom using clear and understood language.

Section 3: The District further encourages customers to adhere to the water use guidelines in Napa Municipal Code section 13.10.060 to reduce water usage by 15% community-wide. Each person is encouraged to use the following water conservation guidelines:

A. Establish procedures in the home and business to recycle water where possible;

B. Use recycled water for construction purposes when available;

C. Use water in a manner which minimizes waste and repair leaks as soon as possible;

D. Install low-flow showerheads, high-efficiency toilets;

E. Refrain from additional irrigation and unnecessary use of water, such as car washing, on days when the temperature exceeds 85 degrees Fahrenheit; and

F. Limit outdoor irrigation of ornamental landscapes or turf with water to no more than two days per week for the period of June 1st through September 30th and to no more than one day per week for the period of October 1st through May 31st.

Section 4: This Resolution shall take effect from and after its adoption.

PASSED AND ADOPTED by the Board of Directors of the Congress Valley Water District, State of California, this 14th day of June, 2021, by the following vote:

AYES: *Bence Sicard, Erik Erickson, Robin Francis
Adam Jolte and Richard Nominni*

NOES: *None*

ABSENT: *None*

Richard Nominni, President
